## CAREER OBJECTIVE

Creative and user-centric UI/UX Designer with a strong grasp of design thinking, design systems, and front-end implementation. Experienced in translating user needs into visually compelling and accessible experiences using Figma, Adobe XD, and modern web technologies. Passionate about solving real-world problems with inclusive and responsive designs driven by research and iteration.

## EDUCATION

**Gramaudyogik Shikshan Mandal Maharashtra Institute of Technology (MIT)** Aurangabad, India  
*B.Tech in Computer Science and Engineering* 2022 – 2026

## SKILLS

**Design Tools:** Figma, Adobe XD, Illustrator, Photoshop (basic), Canva  
**Design Skills:** Wireframing, Prototyping, User Research, Heuristic Evaluation, Visual Design, Accessibility (WCAG), Mobile-first Design, Interaction Design, User Flows, Information Architecture, Design Thinking, Design Systems  
**Front-End Development:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap  
**Tools:** Git, GitHub, Notion, Vercel, VS Code

## PROJECTS

- UX Case Study: Food Delivery App (Fictional)** | *Figma, User Research, Usability Testing* 2024
- Conducted end-to-end UX process including interviews (n=5), persona creation, user flows, and usability testing.
  - Designed low-to-high fidelity wireframes and prototypes using Figma, reducing task completion time by 40% in tests.
  - Improved user onboarding and checkout UX for first-time users.
- Airbnb UX Redesign (Concept)** | *Figma Prototype* 2024
- Redesigned key Airbnb interfaces focusing on mobile usability, consistency, and simplified user flows.
  - Implemented improvements based on heuristic evaluation and competitive benchmarking.
- Photography Portfolio Website** | *GitHub* 2023
- Built a responsive portfolio for photographers using Bootstrap and custom CSS.
  - Optimized layout and image loading to enhance user engagement and reduce bounce rate.
- Spotify UI Clone** | *GitHub* 2024
- Recreated Spotify's UI in React.js with a focus on spacing, component modularity, and responsive interaction.
  - Used reusable design components and clean layout practices aligned with modern design systems.

## CERTIFICATIONS

**Google UX Design Certificate** – Coursera (2024)  
**UI/UX Design with Figma** – Self Project / Practice (2024)  
**Full Stack Development** – APNA COLLEGE (2024)  
**TCS iON Career Edge - Young Professional** – TCS (2024)
